

Room 6 News!

It has been a fast-paced and very busy Term 3! Room 6 has been involved in many sporting and academic endeavours this term and here are just a few of our highlights!

This term started off with the REACH Exhibition Evening where students in Room 6 created some beautiful Odes and displayed them in 'The Old Ode Tree'. It was a wonderful display of literacy skill and artistic flair.

Not long after, we had our Faction Sports Carnival. Finlay, Zali and Brendan got a chance to demonstrate their leadership skills by completing their faction leader duties and there was sportsmanship demonstrated by everyone. Congratulations to Augustus who were the overall winners for the day and to Fitzgerald for picking up the Cross-Country and Handicap shields. Also, big congratulations to Finlay Horn for being awarded Senior Champion Girl. Some of us now get the opportunity to compete at the Interschool Carnival this week!

We don't just have spelling champions in Room 6, we also have some talented mathematicians too! Ngaire, Izzy and Enrico represented the school at the Numero challenge in week 8 and put their math skills to the test with a range of challenges and games.

Ever had trouble spelling euphemism? Well just ask Enrico! He and Alea were GPS representatives who went to the Midwest Spelling Bee this year. To choose those students who got to represent the school, we had an intense knock-out competition in each year level. In the end Enrico and Alea were chosen to represent Year 5 and Year 6 respectively. Enrico and Claye (from Room 5) won the Year 5 team event and Alea was teamed up with Malini (from Room 7) to come second in the Year 6 team event. Alea also came away with an impressive 3rd place in the Year 6 individual competition and Enrico came away with 2nd place in the Year 5 competition.

Did you spot Room 6 on GWN? This photo was a part of the Weather Wall segment on the GWN local news in Week 6. We have been measuring the weather each Friday and sending our findings each week to the TV station, learning about wind, clouds, rain and temperature along the way. Keep an eye on your telly this Friday as we'll be submitting another photo this week!

The fun doesn't stop there and term 3 doesn't look like it's slowing down any time soon. During the last 2 weeks we still have the Interschool Athletics Carnival, an excursion to Geraldton Senior High School for the Year 6's, our Year 5's are starting their leadership posters for 2019, a visit to the Museum to learn more about immigration to Australia, Book Week dress up and celebration of the GPS 140th year anniversary, and most importantly, our Assembly and Family morning tea on the last day of term! Put it into your calendars people, this is one show not to be missed!
